Greenskeeper, Matt Miles, reported on maintenance of the golf course stating that bathrooms were opened for the season. The irrigation system has been brought up to service. Greens were core aeriated on the 18th hole with sand being applied to fill the holes. Fertilizer was spread to assist with the healing of the greens. They have both been rolled several times since then. The new forward tee surface is now in effect on hole seven. Spring fertilizers have been applied to the tees and fairways.

Golf Professional Report:

The Golf Professional Report is attached to the minutes.

Old Business: Bryan Luedtke reported that he had put out information regarding handicaps, with only eight responses. The CDGA would need a minimum of twenty to put the software in the Golf Shop. The golf leagues do not utilize them, so Bryan sees no need for handicaps.

Alderman Bradley Hix explained that with Steve Cheesman becoming a City Council member, he will step aside so Steve can become the City Council Liaison for the Golf Commission.

Jerry Reynolds mentioned he may miss a few meetings later this year due to trips he would be taking. Bryan Luedtke mentioned he will be absent from the May meeting.
