LC-24-0301 Consider Annual Historic Preservation Awards

Members discussed the venue in which to present the award and doing it during the May Landmark Commission meeting would allow the opportunity for more discussion with the property owner and others involved in projects. Members also discussed potential candidates to receive a historic preservation award. A press release about the award recipient and project would also be beneficial.

There was also discussion on potentially having experts in various fields of historic preservation come and speak to the Commission as an educational component.

There being no further business, Member Klohn made a motion to adjourn, seconded by Member Martin, approved by voice vote the meeting adjourned at 6:26 P.M.
