LC-25-0101 Discuss February Educational Meeting & Other Community Updates

Member Martin raised the idea of approaching the owners of historically- or architecturally-significant properties that are not Local Landmarks and gauging their interest. For the February meeting, Member Treash suggested that each Commission member invite a few people they think would be interested in historic preservation or owns a property that the Commission members want to see designated a Local Landmark. Members Klohn and Woolsey stated that an event announcement should be put on the City's website and Facebook page to garner further interest in the event.

The Commission members directed Staff to draft an event announcement for the City's website and Facebook page, along with a smaller blurb for the invitations and the Burg newspaper.

There being no further business, Member Woolsey made a motion to adjourn, seconded by Member Klohn, approved by voice vote the meeting adjourned at 6:14 P.M.
