

CITY OF GALESBURG ILLINOIS

PYROTECHNIC DISPLAY 1.3G Professional Public and Private Display

This is an application for permit to operate a professional display of outdoor fireworks in compliance with the terms of the Illinois Fireworks Use Act [425 ILCS 35]; the International Fire Code (2021 IFC 105.6.36) adopted by the City of Galesburg, Illinois; and any other state or local requirements that may apply including the Illinois Display Report. Please contact the Galesburg City Clerk's Office for any additional permits and/or licenses that may be required (309.345.3612).

The minimum age for all pyrotechnic operators and assistants is 18.

If the Fire Prevention Bureau determines a need for Galesburg Fire Department personnel/equipment and/or ambulance personnel/equipment to stand by during the event, the event sponsor may be billed for these services.

The following must be completed and submitted to the Galesburg Fire Department a minimum of 15 days prior to the event:

1. Pyrotechnic Event Application form;
2. A check for \$100 made out to the City of Galesburg. The Fire Marshal will consider requests to waive this fee if the event is a public display.
3. A site plan including the dimensions of the discharge site, spectator viewing area, parking areas, the fallout area, 25 feet trajectory clearance of overheads, distances from health care or detention facilities or those with flammability, explosive or toxic hazards, and the associated separation distances. If holes or trenches are dug into the ground in order to place mortars, the operator shall consult the sponsor and authority having jurisdiction in order to locate any buried utility lines in the discharge site;
4. A listing of the inventory of kind, and size of fireworks to be discharged;
5. Copies of the licenses of the pyrotechnic distributor and lead pyrotechnic operator; and
6. Proof of \$1,000,000 insurance; a copy shall also be delivered to the office of the Galesburg City Clerk;
