Russell L. Idle, Chief of Police

To the Citizens of Galesburg:

It is my pleasure to present the 2021 Galesburg Police Department Annual Report. The 2021 report recounts the efforts and commitment of the men and women of the Police Department as they work cooperatively with the citizens of Galesburg. The members of the Police Department call Galesburg home and work hard to preserve the quality of life we enjoy in our community.

In 2021, the Galesburg Police Department employed: (49) Police Officers, (1) 911 Coordinator, (19) Dispatchers, (4) Public Safety Clerks, (1) Information System employee and (1) Community Service Officer.

The Annual Report serves as an opportunity to reflect on the changes during the year; retirements, new employees, new laws, new and revised policy, improved technology, facility improvements, and all of the life changes those that work at Public Safety have experienced in 2021.

We had one retirement in 2021. Officer Joe Luna retired after 26 years of service. Officer Luna served our community well, and we appreciate his dedication to our community.

Five new officers and four new civilian employees joined our agency in 2021. Officers Gabriel Trulson, Matthew Howard, Shane Countryman, Ricardo Torres and Eryn Pearson have all joined the force. Jacinta Boynton, Stacy Dunham, Stephanie Peeler and Dereck Lemley were hired as Communications Clerks. Officer Pearson was a lateral transfer and is currently working the street. Officers Trulson, Howard, Countryman and Torres have completed the police academy and are currently in training with a training officer. K-9 Dax also joined the force with Officer Thompson after graduating the Canine Academy.

2021 was another busy year for the Galesburg Police Department with 48,879 calls for service. This was an increase from the 44,119 calls for service in 2020. Officers completed 4,740 crime prevention checks in 2021. Arrest totals increased to 2,231. Suicide calls for service was similar to last year with the 2021 calls for service of 225.

A total of 935 vehicle crashes occurred in Galesburg in 2021, compared to 788 in 2020. The total number of traffic crashes that resulted in injuries in 2021 was 118. This is up slightly from the total of 106 in 2020.

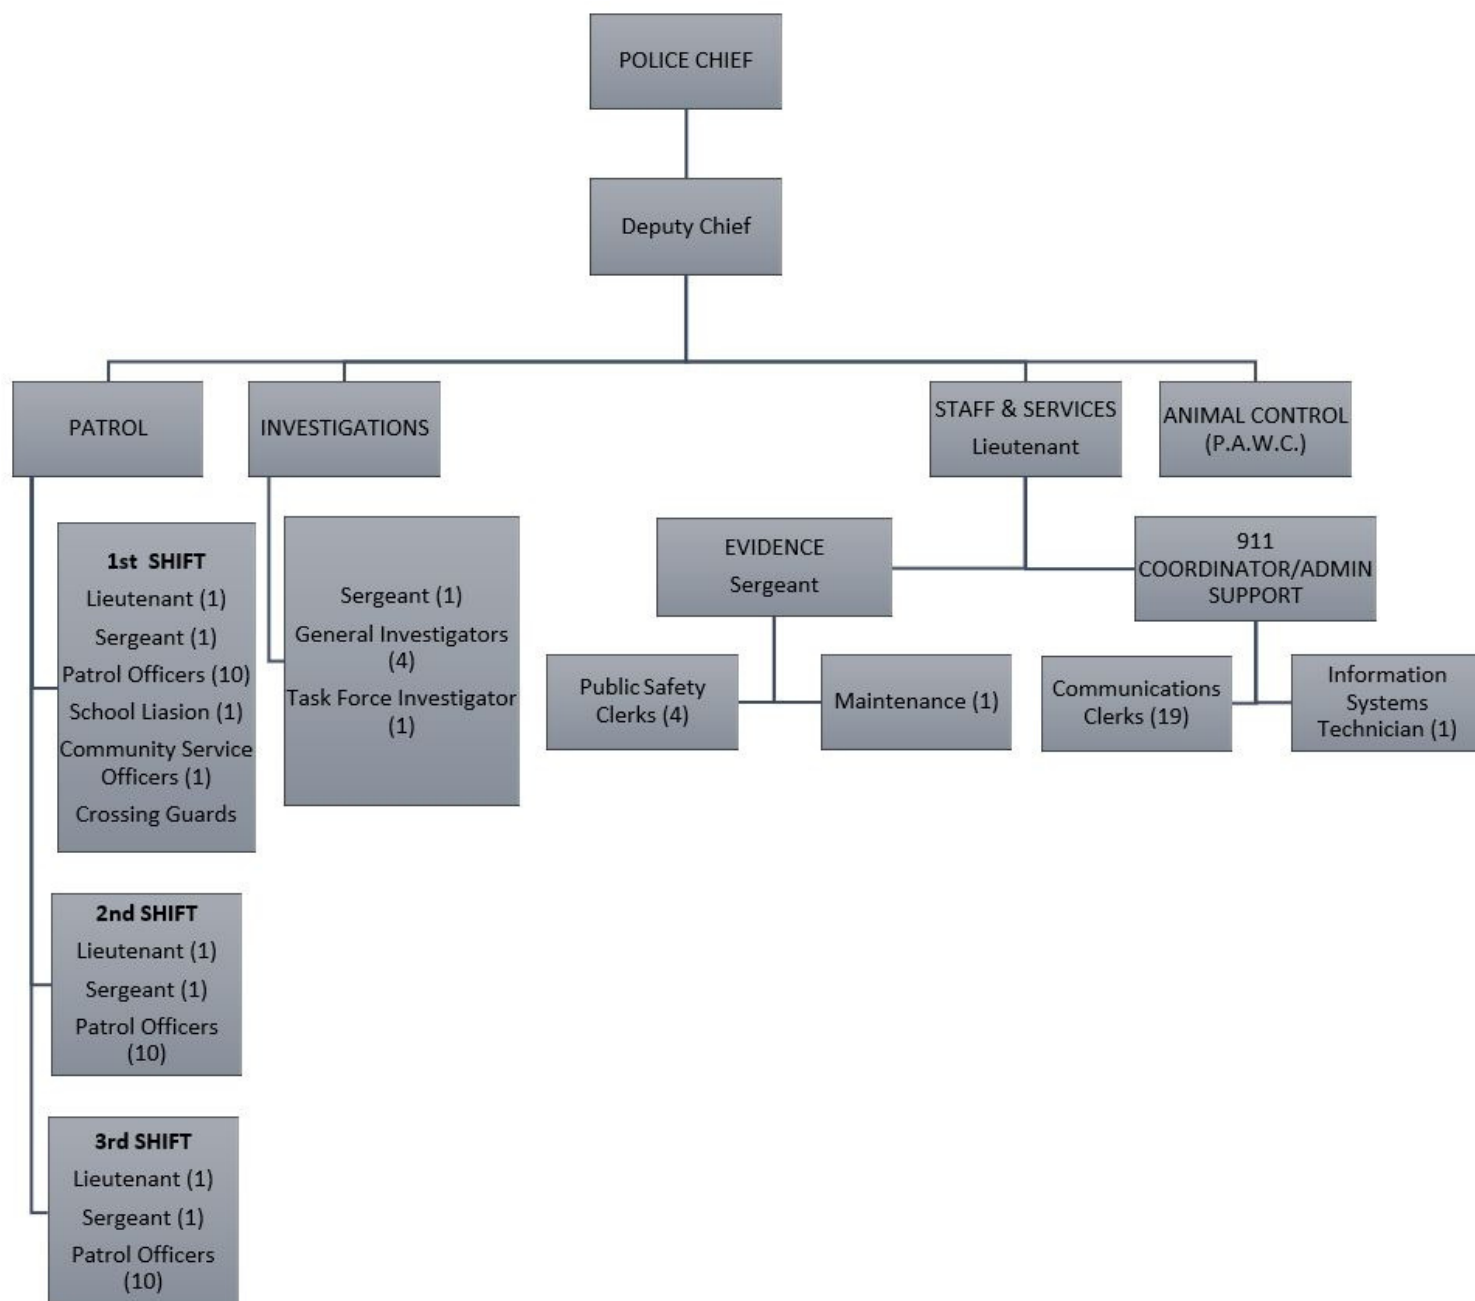

Reported crime in Galesburg has increased. This year, the total number of crimes against property was 1,219. Last year, the number of crimes against property was 1,041 which was the lowest level reported since 2015. Crimes against persons has shown a steady increase since 2017. Crimes against persons reported in 2017 was 128. This number increased to 144 in 2020 and has peaked at 208 in 2021.

Many thanks to the civilian staff for their work on the 2021 Annual Report.

Sincerely,

Russell L. Idle

Special Response Team

The Galesburg Police Department maintains a twenty-two man Special Response Team (SRT) supervised by a Team Commander, Assistant Team Commander and two Team Leaders.

History has proven that the presence of a highly skilled and trained special response team substantially reduces the risk of injury or death to citizens, police officers, and suspects. A specially trained and equipped response team can provide an essential tool for the resolution of many types of critical incidents.

Currently the Galesburg Police Department SRT trains a minimum of 48 Hours per year on the following topics:

Advanced Firearms Training (Pistol & Rifle)

High Risk Search Warrant Execution

Meth Certified / Lab Dismantling

Dynamic and Covert Clearing Techniques

Close Quarter Battle Training

Mechanical Breeching

Vehicle Takedowns / Extractions

Suspect Apprehension and Control

Downed Officer Rescue

Barricade / Hostage rescue Response

Active Shooter / Acts of Violence Response

Emergency First Aid / Officer Self Aid Medical

All team members go through a selection process prior to becoming a team member. All team members are required to maintain a specific level of fitness and pass an annual physical agility test.

The Galesburg Police Department SRT has been involved in the execution of numerous High Risk Narcotic and Felony apprehension Search Warrants. The Team has worked with outside Agencies to include the Knox County Sheriff's Department, Illinois State Police, D.E.A., U. S Marshall Service and F.B.I.

at the Department

This year the department upgraded to load bearing carriers. Studies have shown load bearing vests are more effective at evenly distributing the weight of police equipment and puts less strain on the hips and lower back compared to the traditional duty belt.
